We are looking for someone who is ready for the opportunity to grow with the company and the industry. This position works on a 15/6 rotation in Grande Prairie, AB.

We offer: Competitive Wages, Overtime Opportunities, Shift Bonuses, Subsistence, Solid Group Benefits, RRSP Matching, Referral Bonuses, PPE Allowances, Course Reimbursements and Shift Rotations which Promote Work/Life Balance!

Responsibilities:

- Overhaul natural gas and diesel engines
- Overhaul air compressors and gas compressors
- Troubleshooting on engines, generators and compressors
- Pneumatic troubleshooting on various regulators and instrument controls
- Natural gas/diesel engine preventative maintenance and troubleshooting
- Maintenance and repair of other auxiliary compression and gas equipment
- Develop productive customer relations and ensure prompt and efficient attention to the customer needs
- Maintain service area and tools for cleanliness and proper operation
- Communicate unresolved issues to Field Service Supervisor
- Complete required high-quality documentation, such as service worksheets, timesheets, warranty claims, quality documents
- Mentor, develop and support junior staff and apprentices for future growth and development
- Willingness and ability to support other field staff and work overtime hours if needed
- Willingness to work in the Red Deer Shop when not required to work in Grande Prairie, or other geographical areas
- All other duties as required

Requirements:

- Minimum 3 years of experience and knowledge within the power generation or gas compression industry
- Journeyman certificate; HET, Millwright, Automotive, Electrician, Etc.
- Experience working around and repairing Frac equipment
- Excellent troubleshooting, and decision making skills
- Able to troubleshoot in-frame overhauls, repair and preventative maintenance on stationary natural gas engines and compressors
- Proven mechanical and electrical aptitude
- Safety and quality minded attitude
- Able to read and understand drawings
- Basic computer skills; emails, Microsoft Word, engine software, etc.
- A high level of initiative and attention to detail
- Exceptional communication and organization skills
- Able to mentor junior technicians
- Strong ability and willingness to learn
- Valid driver's license and clean drivers abstract
- Must have reliable transportation
- Available for, and legally able to, travel internationally
- Commitment to Collicutt Core Purpose and Core Values

If you are interested in this exciting opportunity that offers endless learning opportunities, a safety first philosophy, mutual commitment, fun, and community involvement, then don't wait any longer! Come be part of our FAMILY. Please submit your resume in confidence, along with your salary expectation, and availability date to hr@collicutt.com
