Requirements

- Working directly with the parts & warehouse technicians to keep the parts area clean, organized and work ready
- Parts runs to and from vendors
- Operation of forklift and other related machinery in a safe and efficient manner including 40,000lb forklift and overhead crane
- Quick response and resolution of any parts department/warehouse issues
- Assisting with inventory control
- Heat shrink and prepare items for shipment and storage
- All other duties as assigned

Responsibilities:

- High school Diploma
- Truck and gooseneck trailer experience
- Safety and quality minded attitude
- Basic computer skills; emails, Microsoft Word, etc.
- General engine component knowledge
- A high level of initiative and attention to detail
- Exceptional communication and organization skills
- Strong ability and willingness to learn
- Valid driver's license and clean drivers abstract
- Commitment to Collicutt Core Purpose and Core Values

The potential for success with our expanding, progressive, privately owned business is unlimited. We recognize our team members as individuals, and consider mutual RESPECT to be the key to building a cohesive, productive Team.

If you are interested in this exciting opportunity that offers endless learning opportunities, a safety first philosophy, mutual commitment, fun, and community involvement, then don't wait any longer! Come be part of our FAMILY.

Please submit your resume in confidence, along with your salary expectation, and availability date to HR@collicutt.com.
