

Parts Technician

Collicutt Energy Services Corp, a leader in power generation and all things engines, is currently seeking a Parts Technician to join our team in Red Deer. We are looking for someone who is ready for the opportunity to grow with the company and challenge themselves to help our customers succeed.

Requirements

- Frac engine, power generation, gas compression or heavy equipment knowledge
- Experience in a parts distribution role within a manufacturing, oilfield, or service environment
- Ability to work as part of a team
- Experience with CAT, MTU, Scania or Waukesha equipment including aftermarket parts
- Engine/transmission overhaul or manufacturing experience would be considered an asset
- Able to work successfully in a high paced environment
- Analytical and technical skills with a strong attention to detail
- Effective time management, and the ability to multitask
- Strong communication skills
- Willing, ready, and able to perform labour-oriented tasks including bending and lifting

Responsibilities:

- Ensure customer's needs are met in an efficient, knowledgeable, and professional manner
- Develop relationships with vendors to ensure the best procurement practices
- Strive to always "Find a Better Way"
- Creating quotes and pursuing parts sales
- Always carry a "No One Gets Hurt" mindset
- Collaborate daily with people and seek innovative solutions
- Address issues with certainty, assertiveness and with the company's best interests at the forefront
- Develop and follow proactive routines to help the company increase efficiency
- Issuing parts and materials to internal and external customers
- Respond to inventory errors immediately and take corrective action
- Follow all company policies and procedures
- Source parts through multiple avenues, including reading manuals and online dashboards
- Inform Customers on status changes for their parts
- Operate a forklift in a safe and efficient manner
- Be available on a rotational basis to provide on call coverage within the Parts Department
- Other duties as required

The potential for success with our expanding, progressive, privately owned business is unlimited. We recognize our team members as individuals, and consider mutual RESPECT to be the key to building a cohesive, productive Team.

We offer a comprehensive compensation package including: solid group benefits, RRSP matching, PPE allotment, referral bonus, course reimbursement, bereavement benefits, and access to world class medical specialists through our unique Best Doctor's program.

If you are interested in this exciting opportunity that offers endless learning opportunities, a safety first philosophy, mutual commitment, fun, and community involvement, then don't wait any longer! Come be part of our FAMILY.

Please submit your resume in confidence, along with your salary expectation, and availability date to HR@collicutt.com.
