- Conducting routine inspections of facilities and equipment, performing preventative maintenance and handling basic repairs
- Overseeing contractors when professional repairs are necessary
- Repairing machines, equipment, or structures as necessary
- Troubleshooting minor maintenance problems involving electrical, structural, plumbing and equipment repair or replacement
- Performing routine plumbing repairs such as unstopping toilets, sinks, fixing water leaks, leaking faucets, etc.
- Performing routine electrical repairs such as changing light bulbs and light fixtures
- General carpentry including sanding, staining and painting
- Performing seasonal preventative maintenance and winterizing
- Planning, budgeting, preparing cost estimates and scheduling of modifications and repairs
- Purchasing supplies, equipment, and materials necessary to complete projects
- General outdoor maintenance including snow removal, grass cutting, weeding, fertilizing, pruning, planting, landscaping, gardening, sprinkler system and fountain maintenance etc.
- Assisting with maintenance at other facilities as required
- Adhere to Health and Safety policies and procedures
- Other duties and special projects as required

Qualifications:

- 5+ years of experience in property maintenance and general repairs
- High school diploma or general education degree (GED)
- Related degree or tradesman certification is an asset
- Knowledge of a variety of property maintenance procedures and techniques and proven maintenance experience
- General carpentry experience is an asset
- Gardening & Landscaping experience is an asset
- Proven trustworthiness and the ability to keep all information related to the role private and confidential is critical
- Skilled in the use of hand and power tools
- Ability to take apart machines, equipment, or devices to remove and replace defective parts
- Ability to use common tools such as hammers, hoists, saws, drills, and wrenches
- Experience with precision measuring instruments or electronic testing devices
- Strong organizational and follow up skills
- Ability to prioritize tasks in order of urgency
- Eye for detail
- Professional presentation and attitude
- Ability to maintain focus while working individually
- Strong time management skills
- Basic computer skills; emails, downloading photos, etc.
- Excellent troubleshooting and decision making skills
- Proven mechanical and electrical aptitude
- Safety and quality minded attitude
- Able to read and understand blueprints, drawings and assembly instructions

- Ability to lift heavy objects
- Ability to communicate effectively, both verbal and written
- Valid driver's license and clean drivers abstract
- Clean criminal record check
