

Senior Engineering Technician

Collicutt Energy Services Corp., a leader in power generation industry is currently looking for a full-time Senior Engineer to join our Red Deer Head Office location. We are looking for someone who is ready for the opportunity to grow with the company and the industry, and challenge themselves

The successful candidate will demonstrate a track record of achieving results through teamwork, and will be responsible for:

- Conducting and analyzing performance tests on various components; inspecting the construction of mechanical installations
- Participating on diverse working teams involved with quoting, design, fabrication, installation, maintenance/repair/of power generation equipment
- Providing accurate drawing details and assist with the quoting/estimating process; liaise with vendors and assist with bid process
- Working with our vendors to learn our exclusive product lines and stay abreast of our competition
- Preparing flow diagrams, schematics, engineering drawings, assembly and spooling drawings, layouts, specifications and detailed working drawings for mechanical components, equipment & systems for power generation packages
- Preparing as-built drawings; transferring existing hand drawings to electronic format
- Any other duties as assigned

The position requires:

- Engineering Technologist registered with ASET
- 5+ years of engineering experience
- 3+ years of power generation knowledge an asset
- Working knowledge of Solidworks and AutoCAD, or related drafting and design software
- Strong written and verbal communication skills
- Excellent time management and organizational skills.
- Ability to multitask in a fast paced environment
- Ability to communicate effectively and professionally with customers
- Ability to collaborate with, and provide direction within an inter-disciplinary team
- Maintain relationships with both internal and external clients
- Driver's abstract and pre-employment testing required

The potential for success with our expanding, progressive, privately owned business is unlimited. We recognize our team members as individuals, and consider mutual RESPECT to be the key to building a cohesive, productive Team.

We offer a comprehensive compensation package including: solid group benefits including health spending accounts, RRSP matching, PPE allotment, referral bonus, course reimbursement, bereavement benefits, and access to world class medical specialists through our unique Best Doctor's program.

Please submit your resume in confidence, along with your salary expectation, and availability date to hr@collicutt.com.
