

Controller

Collicutt Energy Services Corp., a leader in power generation industry, is currently looking for a full-time Controller to join our Red Deer Head Office location looking after the accounting for our Canadian and US operations. We are looking for someone who is ready for the opportunity to grow with the company and the industry.

The Controller position would have the opportunity of a **hybrid work model**. The successful candidate would be expected to work from our Red Deer Head Office 2-3 days per week and then remotely the remaining days.

Responsible for:

- Preparing monthly, quarterly, and annual financial statements
- Oversee month end and year end closing and review coding of accounting staff
- Maintaining general ledgers
- Overseeing the US and Canadian accounting departments
- Managing budgeting and forecasting
- Reviewing and presenting reports to management
- Completing and submitting sales tax returns
- Establishing key performance indicators
- Research & follow-up as required, on various business requirements such as licenses, provincial sales taxes, fuel tax rebates, sales agreements, vendor agreements, commission agreements, business & property taxes
- Compile divisional and departmental reports monthly, including preparation of actual to-budget analysis & other analytical reviews, as required
- Calculate and review monthly and quarterly commissions
- Preparing other statistical, financial and accounting reports
- Reviewing and updating accounting processes to implement and maintain internal controls
- Maintaining relationships with both internal and external customers
- Provide recommendations and assistance to the Canada and USA VP of Operations in the planning, implementation, and evaluation of modifications to existing operations, systems and procedures
- Interaction with the CEO/Owner and senior management on the day to day operations
- Other duties as assigned

Experience and Education:

- Minimum 5 years experience in the Oil and Gas or Service industry
- Accounting designation required
- Working knowledge of SAP Business One an asset
- Previous supervisory experience an asset
- Must have or be able to obtain a Passport for travel to the US and be available for frequent travel
- Clean criminal record check

Skills and Abilities:

- Excellent team player, who is also an independent thinker with the ability to remain objective
- Strong technical ability, with a very high degree of accuracy
- Very knowledgeable in Microsoft Office, particularly Excel
- Excellent problem-solving skills
- Excellent verbal and written communication skills
