

IT MANAGER

Collicutt Energy Services is a solutions-oriented, engine company. We specialize in custom manufacturing, repair, overhaul, and maintenance for all engine brands across diverse industries, consistently raising the standards for customer satisfaction. Our company culture emphasizes safety, respect and continuous learning, fostering an environment where employees can thrive professionally and personally. As a growing, privately-owned organization, we offer exciting opportunities for career advancement and the chance to contribute to cutting-edge energy solutions. Join Collicutt and be part of a collaborative team that values community involvement and shared success in the ever-evolving energy sector

We are currently seeking an **IT Manager** to join our **Red Deer Office**. This position will Manage IT Systems & Operations by overseeing the company IT systems, data operations, and network security to ensure reliability, efficiency, and protection against cyber threats.

In this role, you will also be responsible to:

- Drive Technology Improvements - Identify, research, and implement new technologies to enhance automation, productivity, and competitive advantage
- Support & Train Employees - Provide training and ongoing support to ensure employees effectively use technology and maximize system benefits
- Lead IT Team - Manage IT staff by setting expectations, providing training, and evaluating performance to maintain a high-functioning team.
- Oversee IT Budget & Compliance - Manage the IT budget, ensure cost-effective solutions, and maintain policies, security protocols, and compliance standards.

Education & Experience

- Degree in Computer Science, MIS, or related field
- 5+ years of IT leadership and management experience
- Experience with network administration and installation (including Windows Server, Hyper-V, and VMware)
- Expertise in data management and governance
- Knowledge of software development methodologies and coding 9web frameworks, client-server models, and systems development life cycle)

Knowledge & Skills

- Strong troubleshooting and problem-solving abilities
- Excellent communication skills (written and verbal)
- Effective time management and adaptability in a fast-paced environment
- Ability to anticipate and manage change proactively

As a team member at Collicutt Energy Services, you can enjoy:

- Competitive Wages
- Solid Group Benefits
- RRSP Matching
- Referral Bonuses
- Apprenticeship & Course Reimbursements

If you are interested in this opportunity, please submit your resume to hr@collicutt.com with **IT Manager** in the subject line.
