

EQUIPMENT TESTING TECHNICIAN

Collicutt Energy Services is a solutions-oriented engine company. We specialize in custom manufacturing, repair, overhaul, and maintenance for all engine brands across diverse industries, consistently raising the standards for customer satisfaction. Our company culture emphasizes safety, respect and continuous learning, fostering an environment where employees can thrive professionally and personally. As a growing, privately-owned organization, we offer exciting opportunities for career advancement and the chance to contribute to cutting-edge energy solutions. Join Collicutt and be part of a collaborative team that values community involvement and shared success in the ever-evolving energy sector

We are currently seeking an **Equipment Testing Technician** to join our **Red Deer Frac Shop Team**. This position requires strong experience operating frac and high-pressure equipment and offers the opportunity to work hands-on with natural gas and diesel engines, provide technical training to team members, and play a lead role in test stand operations and customer-witnessed equipment testing.

In this role, you will also be responsible for:

- Operating and troubleshooting diesel, natural gas, and frac pumping equipment
- Completing inspection, commissioning, and performance reports
- Facilitating customer-witnessed tests and managing test stand bookings
- Collaborating with Service and Parts teams on repair planning
- Carrying out secondary shop duties when the test stand is not in use

Qualifications and Skills

Required

- Minimum 3 years' experience operating or maintaining frac or related industrial equipment
- Strong troubleshooting and mechanical/electrical aptitude
- Ability to read and understand drawings and follow SOPs
- Advanced computer skills (e.g., email, Microsoft Word, engine software)
- Ability to lift up to 60 lbs

Preferred

- HET Apprentice or Journeyman certification
- Experience with SAP
- Familiarity with CAT and Cummins engine software
- Experience operating in drilling rigs, frac sites, or plant environments

Working Conditions

- **Environment:** Test facility with indoor/outdoor elements; some shop-based work

As a team member at Collicutt Energy Services, you can enjoy:

- Competitive Wages
- Solid Group Benefits and Flex Spending Account
- RRSP Matching Program
- Apprenticeship & Course Reimbursements
- Referral Bonuses

If you are interested in this opportunity, please submit your resume to hr@collicutt.com with **Equipment Testing Technician** in the subject line.
