

PROPERTY & FACILITY MAINTENANCE TECHNICIAN

Collicutt Energy Services is a solutions-oriented, engine company. We specialize in custom manufacturing, repair, overhaul, and maintenance for all engine brands across diverse industries, consistently raising the standards for customer satisfaction. Our company culture emphasizes safety, respect, and continuous learning, fostering an environment where employees can thrive professionally and personally. As a growing, privately-owned organization, we offer exciting opportunities for career advancement and the chance to contribute to cutting-edge energy solutions. Join Collicutt and be part of a collaborative team that values community involvement and shared success in the ever-evolving energy sector.

We are currently seeking a **Property & Facility Maintenance Technician** to join our **Red Deer Maintenance Team**. This requires a strong mechanical background, proven property maintenance experience, and the ability to troubleshoot, and problem solve independently and confidently in a fast-paced environment.

In this role, you will also be responsible for:

- Conducting routine property and equipment inspections and performing general repairs.
- Troubleshooting and completing basic plumbing, electrical, and carpentry tasks.
- Managing seasonal maintenance including winterizing, landscaping, and snow removal.
- Coordinating with external contractors for specialized work.
- Planning, budgeting, and managing maintenance projects from start to finish.

Qualifications and Skills

Required

- High School Diploma or GED
- Minimum 5 years' experience in property maintenance and general repairs
- Skilled with hand and power tools, and in the use of electronic testing equipment
- Valid driver's license with a clean abstract and the ability to pass a criminal record check.
- Excellent troubleshooting, organizational, and time management skills.

Preferred

- Related degree or trades certificate in mechanical or building maintenance.
- Experience with general carpentry, gardening, landscaping, and irrigation systems.
- Mechanical and electrical aptitude with a safety- and quality-focused mindset.

Working Conditions

- Indoors and outdoors across multiple residential and commercial facilities
- Exposure to various weather conditions
- Physically demanding tasks including lifting, climbing, and equipment handling.

As a team member at Collicutt Energy Services, you can enjoy:

- Competitive Wages
- Solid Group Benefits
- RRSP Matching
- Referral Bonuses

If you are interested in this opportunity, please submit your resume to hr@collicutt.com with Maintenance Technician in the subject line.
