

## FIELD SERVICE TECHNICIAN - CALGARY

Collicutt Energy Services is a solutions-oriented, engine company. We specialize in custom manufacturing, repair, overhaul, and maintenance for all engine brands across diverse industries, consistently raising the standards for customer satisfaction. Our company culture emphasizes safety, respect, and continuous learning, fostering an environment where employees can thrive professionally and personally. As a growing, privately-owned organization, we offer exciting opportunities for career advancement and the chance to contribute to cutting-edge energy solutions. Join Collicutt and be part of a collaborative team that values community involvement and shared success in the ever-evolving energy sector.

We are currently seeking a **Field Service Technician** to join our **Service Team**. This position is responsible for preventative maintenance, troubleshooting, and field service of natural gas and diesel engines and generators. The technician will support customer satisfaction by ensuring reliable equipment performance and will participate in an on-call rotation to provide emergency response when required.

In this role, you will also be responsible for:

- Conducting startups, commissioning, calibrations, and load bank testing.
- Documenting all service activities accurately and maintaining service vehicles/tools.
- Developing and maintaining strong customer relationships through responsive service.

### Qualifications & Skills

#### Required

- Minimum 3 years of experience in the standby or prime power industry, with field service experience.
- Journey person license (Heavy Equipment Technician, Millwright, Automotive Service Technician, or Electrician).
- Strong troubleshooting and decision-making skills with proven mechanical/electrical aptitude.
- Ability to service, repair, and maintain stationary natural gas and diesel engines and generators.
- Proficiency in reading schematics, service manuals, and diagnostic systems.
- Must provide own standard trade tools.

#### Preferred

- Prior experience with emergency stand-by generators.
- Advanced knowledge of A/C and D/C electrical systems.
- Strong organizational, communication, and mentoring skills.

### Working Conditions

- Field-based service with travel to customer sites.
- Shop and on-site environments (indoor and outdoor).

As a team member at Collicutt Energy Services, you can enjoy:

- Competitive Wages
- Solid Group Benefits
- RRSP Matching
- Referral Bonuses

If you are interested in this opportunity, please submit your resume to [hr@collicutt.com](mailto:hr@collicutt.com) with **Field Service Technician (Calgary)** in the subject line.
